

R.E.
Belonging:
Being chosen; the calling of the apostles; the sacrament of Confirmation; living in the light; the witness of a Christian call.
Advent/Christmas:
The gift of love and friendship; God sent Jesus; Isaiah looked forward to the gift of Jesus; Gaudete Sunday; the church birth of Jesus; celebrating the gift of Jesus.

Literacy
Twisted Fairytales.
Using a well-known fairytale, children will twist the story around and write it in a new and different way.
Narrative Poetry
To analyse, perform, recite and retell a narrative poem.
Information texts
Week 1: Read and investigate the features of non-fiction information texts.
Week 2: Plan and write an information text based on rivers.
Objectives to be taken from the national curriculum and Lancashire grid for learning.

Year 4

Science
Solids, liquids and gases—different states of matter.
Children will study the different states of matter.
They will classify the three states.
What happens when water is cooled or heated up?
Children will undertake experiments to study the three different states of matter.
Objectives to be taken from the national curriculum and Focus Education materials.

P.E.
Children will develop physical skills and learn how to play football

Numeracy
Addition and subtraction to 3 digits.
Multiplication and division.
Solving problems using addition, subtraction, multiplication and division.
Objectives to be taken from the Maths No Problem.

Art/D.T.
Children will create clay pots and do Christmas activities.

Geography/History
Rivers from around the world.
Locate the worlds rivers using maps.
Children will study the water cycle—cross curricular with Science.
Why is a river so important for the survival of plants and animals?
Objectives to be taken from the national curriculum and Focus Education materials.
