

“Let everything you do, be done in love”

1 Corinthians 16:14

Year Five

Spring 2

ESSENTIAL KNOWLEDGE

By the end of this half term, the children will know...

- About the sacrifice that Christ made for us
- How to write an effective character narrative and a newspaper report
- How to read and write decimals, find percentages, and name, draw and measure angles
- How to edit a video
- About the natural resources available in the UK
- About what and how the UK trades with other countries
- How to cook pizza
- How to sculpt in the style of Anthony Gormley

Launch

The children will take part in a practical ‘Fair Trade’ simulation to help them understand trade and commerce in the world.

Explore

The children will learn about the key exports from the UK and the main imported good from other countries.

They will be able to locate some of our trade partners using maps and be able to use 8-point compasses and 6-figure grid references.

Energise

Visit the National Coal Mining Museum in Wakefield to explore a source of natural resources in this country.

Celebrate

The children will celebrate by eating pizzas and identifying the sources of the ingredients.

Reflect

The children will reflect on the fragility of trade and supply chains and the importance of trade deals between different countries.

Core Subjects

Religion

Sacrifice –

BIG QUESTION – Why did Christ have to die on the cross?

EXPLORE – Giving or refusing to give; appreciating the cost of giving

REVEAL – Lent a time of giving in preparation for the celebration of the sacrifice of Jesus

SCRIPTURE – Mathew 26: 14-16, 20-25, Mark 15: 1-15, John 13: 34-35

English

GENRE: Character Narrative

TEXT – The Promise - Nicola Davies

GPS – Common, concrete and abstract nouns, modal verbs, adverbials of time, place and manner, prefixes (dis, de, mis, over, re) and writing in the third person.

GENRE: Newspaper report

TEXT – The Promise – Nicola Davies

GPS – Difference between informal and formal speech and using hyphens to avoid ambiguity.

Maths

Decimals/ Percentages/ Geometry

- Can read and write decimal.
- Can compare, order and subtract decimals.
- Add and subtract decimal.
- Comparing quantities, finding percentages.
- Can name different angles.
- Can draw and measure angles using a protractor.

Science

Continuing with forces and their effects from last half term

Forces

- Children will learn that objects fall to the Earth due to the force of gravity.
- They will learn about the effects of friction including water and air resistance.
- They will also learn about gears and pulleys.

CARITAS

THEME: Rights and Responsibilities

FOCUS: We face challenges together

Holy Days

SHROVE TUESDAY – 1st March
Mardi Gras celebration

ASH WEDNESDAY – 2nd March

Lent/Easter

Lent
Growth

We make promises to make a difference.

Week 1: Friends week.

Week 2: Lenten Symbols Week.

Week 3: Helping Week.

Week 4: Sharing Week.

Week 5: Sorry Week.

Week 6: Best Week.

Easter

Foundation Subjects

History/Geography

What resources does the UK have and what does it trade?

Understand supply chains and trade links between countries. Know some of the main imports and exports from our country.

Use OS maps and atlases to build their knowledge of the UK and the wider world.

Art and Design and Design Technology

Art – Sculpture

Explore the work of Anthony Gormley including Another Place and The Angel of the North. Create a sculpture based on their own body as he does.

DT – Cooking and Nutrition - Investigate and evaluate bread products according to their characteristics, how bread products are an important part of a balanced diet, which different ingredients are needed to make bread and how ingredients can be altered and mixed to create different effects. Plan, design and make pizza.

Physical Education

Basketball

Computing

Video Editing

- To recognise video as moving pictures, which can include audio
- To identify digital devices that can record video
- To capture video using a digital device
- To recognise the features of an effective video
- To identify that video can be improved through reshooting and editing
- To consider the impact of the choices made when making and sharing a video

PSHE

Healthy Me

- To understand why eating a healthy balanced diet is important.
- To understand why being physically active is important.
- To understand why making healthy choices is important.
